2. Jennifer and her husband Matthew McCabe arrived at the Waterfall Bar in Canton center at approximately 9:00PM on Friday, January 28th. At the Waterfall they met a group of friends for some drinks, food and watched a live band. At approximately 11:00PM, John O’Keefe and Karen Read entered the Waterfall Bar from CF McCarthy’s bar. Jennifer and John have been friends for a long time and met Karen when the two started dating two years ago. John walked into the Waterfall wearing a baseball hat, jeans and sneakers. Jennifer observed Karen walk into the bar holding a drinking glass with a vodka mixed drink inside, she left CF McCarthy’s with. Jennifer stated there was no arguments amongst Karen and John or anyone else inside of the Waterfall. Jennifer stated John and Karen did not appear to be overly intoxicated when they arrived. As the band was cleaning up, Brian Albert invited everyone back to his house at 34 Fairview Road, Canton. As everyone began to leave the Waterfall, Jennifer observed John and Karen leave together. John texted Jennifer at approximately 12:14AM, asking “Where to”. Jennifer responded to John’s text with the address, 34 Fairview. Jennifer spoke with John at 12:14AM and provided him the address. At 12:18AM, John called Jennifer to inquire where exactly the house was on Fairview Road.

3. While at 34 Fairview Road, Jennifer observed a large black SUV on the street outside of the house and went to the front door. The black SUV did not pull into the driveway but parked on the street by the entrance of the driveway. Jennifer observed the black SUV parked out front and texted John, “Hello. Pull up behind me” at 12:31AM. Jennifer texted John again at 12:40AM, “Hello where are you” and then again at 12:45AM, “Hello”. When Jennifer sent the last text to John she observed the black SUV drive away and assumed Karen and John went home. Jennifer stated John did not reply to any of her text messages. Jennifer stated she first observed the vehicle parked on the street by the driveway facing in the direction towards Chapman St. Jennifer then observed the vehicle travel along the road towards the left side of the property in the area of where John was discovered in the morning. Jennifer and her husband left the residence at approximately 1:30AM and went home.

4. At approximately 4:53AM on January 29th, Jennifer received a call from John’s niece (c) Karen was on the phone, hysterical and looking for John. Karen told Jennifer that she went home alone last night and last saw John at the Waterfall Bar. Jennifer had to correct Karen and told her they left the Waterfall Bar together and went to 34 Fairview Road. Jennifer told Karen to come to her house on (f) and they will go look for John together. Karen arrived at Jennifer’s house in her black Lexus SUV. Jennifer stated she drove Karen’s car back to John’s house where Kerry Roberts met them. While driving back to John’s house, Karen stated to Jennifer, “Could I have hit

him”, “Did I hit him”. Karen also told Jennifer about a broken tail light on her black SUV. Once Karen, Jennifer and Kerry arrived at John’s house they looked at the broken tail light. Jennifer stated she observed a broken/cracked right tail light to Karen’s SUV.

5. Jennifer and Karen got into Kerry’s vehicle to go look for John. Karen was in the backseat and Jennifer sat in the front passenger seat. Jennifer described the weather at this time as snowing heavily. Jennifer stated the first place they went to look for John was 34 Fairview Road. They traveled down Chapman St and took a right turn onto Fairview Rd. Just prior to the front yard at 34 Fairview is a group of tree’s on the left side of the road. Immediately passing the group of tree’s, Karen stated “I see him”. Jennifer stated with the heavy snow her and Kerry could not see John and did not know what Karen was talking about. The three exited the vehicle, Kerry began wiping snow off John, Jennifer called 911 and Karen laid on top of him for warmth and stated “Oh my god did I hit him”. John was discovered on the left side of the property, the area where Karen’s SUV was last seen earlier that night with approximately six inches of snow covering him. Jennifer stated Karen began mouth to mouth and when she discovered John’s blood on her face stated “Oh my god, do I have my period”. Using a cell phone application called Life 360, Jennifer was able to provide the following times; 5:39AM Karen arrived at the McCabe’s residence, 5:46AM Jennifer, Karen and Kerry arrive at John O’Keefe house, 5:53AM the three leave John O’Keefe’s house and 6:04AM they discover John outside of 34 Fairview Road.
